

## Visitor Guidelines During COVID-19

Premier Automation and PanelShop.com are carefully monitoring the COVID-19 landscape. Our top concern is to protect our employees, our clients, and our partners.

**We are putting in place a set of guidelines regarding hygiene, social distancing, and travel. We ask all visitors to Premier Automation/PanelShop.com offices to comply with these measures:**

- External visits are limited to product deliveries and essential meetings.
- Explicitly confirm your visit with your Premier Automation/PanelShop.com contact person before traveling to our office.
- Be aware that at the entrance, your temperature will be taken, and a screening will be done. You will be requested to confirm compliance with the measures below. This confirmation will be a prerequisite for access. These questions are noted below.
  1. Have you traveled out-of-state/internationally or been in close contact with anyone who has traveled out-of-state/internationally within the last 14 days? (Yes/No)
  2. Have you quarantined or received a negative test result upon entering PA? (Yes/No)
  3. Have you experienced any cold or flu-like symptoms in the last 14 days? (fever, cough, shortness of breath or other respiratory problem)? (Yes/No)
  4. What temperature did the scanner return? (Enter temperature)

**Apply following social distancing and personal hygiene measures:**

- Masks are required.
- When meeting physically, stay at a minimum 6 feet away from other people.
- Please do not shake hands.
- Wash your hands frequently or use a disinfectant gel.
- Practice cough & sneeze etiquette – Cough into your elbow or into a tissue (covering both your mouth and nose), not into your hands. Then wash your hands.

**You will not be allowed to the PanelShop.com facility:**

- If you are ill with suspected symptoms of COVID-19 or if you have recently been tested positive. Premier Automation and PanelShop.com require any visitor to be 14 days without symptoms.
- If you have been in a high-risk area in the past 14 days. Premier Automation and PanelShop.com follow the travel guidance of the CDC:
